

PCC Range Rules Cherokee Gun Club IDPA

Gun specs, types of PCC's allowed, division capacity, etc. are covered in Appendix B Pistol Caliber Carbine Division.

In addition to the competition rules, these are rules for handling a PCC at Cherokee Gun Club.

ARRIVAL TO CLUB: All PCCs should arrive at the club unloaded with chamber flagged. Coming out of a vehicle they must either go muzzle down into a cart or into a closed gun bag. The PCC must be stored in closed & zipped gun bag or muzzle down on 3-Gun style cart.

PCC's are not be carried unbagged i.e. using a shoulder sling or on shoulder. No exceptions.

All PCCs must have a highly visible chamber flag easily seen by all competitors AT ALL TIMES (unless shooting).

NO GUN HANDLING: PCCs are not to be handled unless under the direction of a designated Safety Officer (SO) or in a designated safe area.

ARRIVING AT A STAGE: Shooters will arrive at each stage with the PCC in a zipped & closed gun bag or muzzle down in a cart with the chamber flagged.

SHOOTER ON DECK: When a shooter is the on-deck shooter, they may bring their gun bag/cart to the on-deck position.

Beginning A Stage:

- Shooter occupies the Start position
- Range is hot, eyes & ears
- Upon “Load and make ready” command, the shooter removes the gun from the bag or cart.
- SO takes the chamber flag, PCC is loaded.

Finishing a Stage:

- After “unload and show clear”, both the shooter and the SO inspect the chamber and mag well.
- SO inserts the chamber flag.
- Shooter engages the safety.
- Shooter returns the PCC to the gun bag, zips it closed or puts it back on the cart.
- Range is clear
